GERTRUDE MARY POWYS

1877 - 1952

Girl reading

Wood-engraving, printed from the original block on the occasion of The Powys Society's conference in Bath, August 1986.

On the reverse of the block is the inscription 'For E. Myers story 'Threshold'/G M Powys'. 'The Threshold' is the last story in *Good Beds - Men Only* by Elizabeth Myers (1948); the book was, however, published without illustration. Elizabeth Myers was the second wife of one of the artist's older brothers, Littleton Charles Powys.

Edition of 50 copies printed on Basingwerk Parchment by Stephen Powys Marks on a Fag proof press.
